

Your job with a clear goal: #climatepositive

MVV Environment Limited is a wholly-owned subsidiary of MVV Umwelt GmbH and MVV Energie AG, which have more than 50 years of experience in operating high efficiency waste disposal and energy generation plants. Our Group is one of the market leaders in the generation of energy from waste. In the UK we currently operate Energy from Waste facilities in Plymouth and Dundee and a Biomass facility at Ridham Dock (Kent). We are now progressing towards construction of our Medworth Energy from Waste CHP Facility in Wisbech, Cambridgeshire, in 2025.

Please send your CV and covering letter to recruitment@mvvuk.co.uk

The closing date for applications is Sunday, 18th August 2024

Community Liaison Manager

(Wisbech)

Full time (40 hours per week)

The Package:

Competitive salary, bonus and benefits appropriate to the outward facing nature of the role.

- Raise awareness of and improve attitudes to the waste hierarchy and responsible waste management.

The Role:

- Take reasonable care of your own and other people's health and safety at work.
- Develop and implement stakeholder engagement activities, including supporting the Communications and Community Relations Manager to establish a local liaison committee.
- Prepare and distribute pro-active communications materials, including maintaining up-to-date information on MVV's website.
- Work closely with other teams and process areas to ensure local initiatives and undertakings are delivered.

The Person:

- Educated to degree level.
- Significant experience of local community work and/or organisations.
- Good understanding of local, national and global sustainability issues/agendas.
- Flexible attitude to managing change and the evolving needs of the role, which will cover the pre-construction, construction, commissioning and operational phases of developing a new, state of the art, Energy from Waste Combined Heat and Power facility.
- Able to take the initiative and demonstrate leadership qualities.
- Strong network local to Wisbech.

This list summarises the main tasks and responsibilities for this role but is not exhaustive. Further tasks and responsibilities may be required according to business needs.
